

2018-2019 Transportation Form

To ensure that all students in our neighborhood get access to a high-quality education, Atlas Prep has committed significant resources to providing our own bus system, which is EXTREMELY rare for a small new school. Riding the bus at Atlas Prep is a PRIVILEGE and a LIMITED RESOURCE, which will be taken away from students who abuse this privilege and resource.

Please note that due to the larger number of routes and buses this year, Atlas cannot guarantee that every route will have a Bus Monitor in addition to the driver. Please take this into consideration when deciding whether to have your student ride the bus. Students that are written up more than once by the bus driver and/or monitors for misbehavior on the bus WILL lose bus privileges.

Para asegurarse de que todos los estudiantes en nuestro vecindario obtienen acceso a una educación de alta calidad, Atlas Prep ha comprometido importantes recursos para proporcionar nuestro propio sistema de camion, que es EXTREMADAMENTE raro en una pequeña escuela nueva. Montando el camion en Atlas Prep es un PRIVILEGIO y un RECURSO LIMITADO que se tomarán de los estudiantes que abusan de este privilegio y recursos.

También, debido al mayor número de alumnos y los camiones de este año, Atlas no puede garantizar que cada ruta tendrá un monitor de autobuses, además del conductor. También tenga en cuenta que los estudiantes que están escritos más de una vez por el conductor o el personal de Atlas por mal comportamiento en el camión perderán privilegios de camión este año porque tenemos muchos estudiantes y espacio limitado en nuestros camiones.
