ATLAS STUDENTS ARE OUTPACING THE NATIONAL AVERAGE GROWTH ACROSS ALL GRADE LEVELS

Average Growth in the 2017-2018 School Year for Math and Reading

Source: NWEA MAP is a nationally normed assessment used by more than 7,400 schools and districts throughout the world. New Atlas students take the MAP assessment in the fall, winter, and spring. Returning Atlas students take the assessment in spring and winter.

Each student/family is assigned an academic advisor to set and monitor individualized goals throughout the year.

Atlas recruits and retains excellent teachers.

Targeted academic interventions during the day and after school for all students.

Family-centered support services that consistently leads to over 94% average student attendance.

Weekly professional development targeted towards academic data analysis and instructional best practices.

THE ATLAS MISSION IS TO PREPARE AND EMPOWER ALL STUDENTS FOR SUCCESS ON THEIR POST-GRADUATE PATHS THROUGH EDUCATIONAL EXCELLENCE, CHARACTER DEVELOPMENT, AND COMMUNITY ENGAGEMENT.
