

Family Uniform Guide

Uniforms are a critical part of maintaining our focus, community-centered environment. Please review the following requirements for uniforms at Atlas Elementary, per the Atlas Elementary Family Handbook.

Shirt: Atlas Prep green short-sleeved polo shirt with the school's logo.

Optional:

- **Sweater:** Dark gray Atlas sweater can be worn over the green polo (Note that scholars may not wear jackets during the school day.)
- **Undershirt:** Plain white, black, navy blue, or gray undershirt under uniform polo (no patterns or stripes)

Bottoms: Navy pants, shorts, skort, or skirt

- No jeans, joggers, dresses, or leggings that are worn as pants.
- Shorts, skorts, and skirts must be of appropriate length and hang at or past the fingertips when standing
- If wearing a skirt - shorts, tights or leggings must be worn underneath.
 - Leggings or tights worn underneath skirts and skorts must be either plain white, black, navy blue, or gray (no patterns or stripes)

Shoes: Any all-black shoes, including sneakers. The shoe must be ALL black (no white soles, stripes, logos, etc.) and must cover the whole foot (no slippers, sandals, flip flops, etc.). The shoe policy is the same for winter months. If your scholar needs to wear snow boots to school, please have them bring their uniform shoes to change into during breakfast.

Belt: Solid black leather belt is required for students in grades 2 and up.

Gryphon Gear Friday: On Fridays, Atlas scholars are allowed to wear jeans with their choices of an Atlas top, and any closed-toe shoes.

Options for top: Green polo, sweatshirt without requiring the polo underneath, Atlas t-shirt.

The uniform guide, with photos and uniform prices, is on the reverse of this letter, for your reference.

Thank you!
