- **Undershirt:** Plain white, black, navy blue, or gray undershirt can be worn under the gray polo (no patterns or stripes)

**Bottoms:** Navy pants, shorts, skort, or skirt

- No jeans, joggers, dresses, or leggings worn as pants
- Shorts, skorts, or skirts must be of appropriate length and hang at or past fingertips when standing.
  - Leggings or tights worn under skorts or skirts must be either black, gray, navy, or white in color and solid without patterns or stripes.

**Shoes:** Mostly black in color and cover the whole foot.

- Can be sneakers, boots, or dress shoes
- Recommended shoes that are slip-on or velcro until the student can tie their shoes independently.

**Belt:** Belts are welcome to help keep pants from falling as needed, but are not a required part of the uniform

**Uniform care:**

- Student uniform tops (especially sweatshirts and hoodies) should have the student's name written on the inside.
- Children grow quickly and play hard! Please buy several pieces of uniform so that your child can wear a clean uniform that fits properly.

**Gryphon Gear Friday:** On Fridays, Atlas students can wear jeans or khaki pants with an Atlas polo or t-shirt, Students can also wear any closed-toed shoe of their choice.
